

Second Grade Blizzard Bag

Day 2

Boys and girls, today is a school day at a different place. Don't forget to do your best personal work! Please bring back all of your work to school once it is completed. You will have **10 school days** to return to assignments for credit. By turning in the sign sheet along with the work, this snow day can be considered a "Work at Home Day".

Language Arts/Writing

I can ask and answer questions about a story. 2. RI.1

I can use capital letters and proper nouns, use punctuation and spell words correctly when I am writing. 2. L.2

Math

I can count within 1,000. I can skip count by 5s, 10s, and 100s. 2. NBT.2

I can compare three digit numbers with $<$, $>$, and $=$. 2. NBT.4

I can add or subtract to 100 using different strategies. I can solve word problems using addition and subtraction. 2. OA.1

I can add and subtract all one digit numbers by memory before the end of 2nd grade. 2. OA.2

I can tell and write time using an analog clock and a digital clock to the nearest five. 2. MD.7

I can solve word problems with dollars and cents. I can use the \$ and ¢ symbols. 2. MD.8

I can solve problems using a graph. I can draw a picture graph and a bar graph with 4 categories. I can identify triangles, quadrilaterals, pentagons, hexagons, and cubes. 2. G.1

Second Grade Blizzard Bag

Day 2

Name _____ Date _____

Subject	Assignment	Parent/Guardian
Language Arts/Writing	<ul style="list-style-type: none">• Read <u>Where is Kitty?</u> and complete the comprehension questions.• Read and complete the sentences.	
Math	<ul style="list-style-type: none">• Complete <u>Daily Math</u>.• Complete addition and subtraction facts (not timed.)	

Name: _____

WHERE IS KITTY?

by Anita N. Amin

"Where is Kitty?" Anna asked Mom. Kitty always slept on Anna's bed. This morning though, Kitty wasn't there.

"I don't know," Mom said. "Maybe Kitty is hiding."

"What if Kitty is scared?" Anna worried. "I need to find her."

Anna searched the house for her kitten. She checked under the beds. She looked behind the doors. She peeked in the closets.

"I can't find Kitty anywhere," Anna told Mom.

Anna peered out the window. She saw her friends jumping on leaf piles. "Maybe Kitty is playing outside too," Anna said.

"Maybe," Mom agreed. "I did leave the back door open earlier. I went outside to rake leaves."

Anna raced out the back door.

Anna stopped at a pile of red and orange leaves. An orange kitten was sleeping on it. "Kitty!" Anna cried.

Anna tucked some leaves around Kitty. "You weren't scared. You just wanted your own bed."

Name: _____

WHERE IS KITTY?

by Anita N. Amin

1. Where does Kitty usually sleep?

2.

4. Where was Kitty?
- a. in the window
 - b. in her cat bed
 - c. under a pile of leaves
 - d. on top of a leaf pile
5. What kind of story is this?
- a. fiction
 - b. non-fiction
 - c. tall tale
 - d. poem

Name: _____ Date: _____

Directions: Read and correct the sentences below.

2.L.2 I can demonstrate the command of the conventions of standard English capitalization, punctuation, and spelling when writing.

i want to visit europe africa and australia some
day

i wake up at 630 catch the bus at 715 and get
to school by 800

Daily Math

Common Core

Name _____

_____/10

Balance the equation.

$$4 + \square = 3 + 8$$

Count the quarters.

Becca and Brittney made 19 cookies. If 8 cookies were baked by Becca. How many cookies did Brittney bake?

$$\underline{\quad} - \underline{\quad} = \square$$

Complete the input/output table.

Rule $+4$	
3	
5	9
9	
12	

Add.

$$7 + 9 = \square$$

$$11 + 7 = \square$$

Subtract.

$$15 - 7 = \square$$

$$14 - 6 = \square$$

Put the numbers in order.

49 41 46

$$\square < \square < \square$$

When do people eat dinner?

A.M.

P.M.

Color the circle green.

2.OA.2
