13. Think about a time you or someone you know was given advice and then had to decide whether to follow it. Write a story of such a time. Make sure your story includes details about the situation, the decision, and the consequences that followed. Write your response in the **Answer Document**. (18 points)

PREWRITING

| Important! Use the space below only to plan and practice your response. Nothing you write in the space below will be scored. | |
